Dates for your Diary

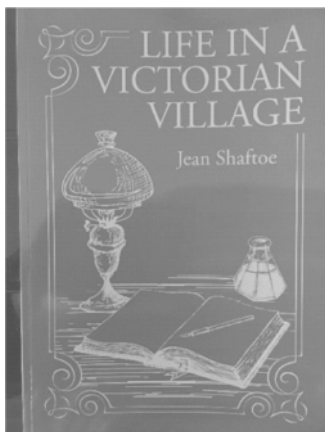

Parish Council meetings – 18th November 2021.

Village Hall meeting - AGM Wednesday 24th November 7.30pm. New committee members required.

Belchford and Fulletby Parish Council Report from September Meeting 2021

The parish council meeting was held in the village hall and during the public forum members discussed the future of the VCC for St Peter & St Paul Church, Belchford along with the planning appeal at Flint Wood Farm. More daffodils are to be planted, there is to be a village green meeting in a few weeks and the survey results are to be reviewed, more trees are to be planted at the community woodland and a grant has been awarded from the Wolds Sustainable Development Fund towards installing an Observatory. We are currently waiting for the third and final quote for Full Fibre Broadband. The next meeting will be on Thursday 18th November.

HENRY WINN BOOK LAUNCH - SATURDAY 13 NOVEMBER at 7pm, ST ANDREW'S CHURCH, FULLETTY

Fulletby will be hosting the launch of Jean Shaftoe's new book, 'Life in a Victorian Village', which is based on first-hand accounts of our local poet and recorder of history, Henry Winn. The evening will include an introduction to Jean and her book, with a display of Henry Winn memorabilia. It will also be a chance to have a 'social' after the pandemic restrictions. Jean will be selling and signing her book on the night (price £15) and for every book sold, £2 will go to the church that Henry Winn supported in his turn over a hundred years ago. Entry is free, refreshments will be available. It will be a great opportunity to stock up on Christmas presents for family and friends!

Community Woodland Update

The Hayes Furlong Wood is situated on the Belchford to Fulletby road and is open 24/7 to residents and friends of both communities. The trees planted last spring are doing well, despite the spring drought most have survived. This is due in no small part to the work group who fastidiously watered the trees on several occasions. The very same work group spent hours pulling ragwort plants. A big thank you to all involved.

Winter plans include building a natural Observatory, generously funded by Lincolnshire Wolds Countryside Service and planting more trees, some of which have been very kindly paid for by villagers, their family and friends. If you haven't discovered this fantastic community asset yet, spare an hour and have a look; and finally, if you would like to help out in any way please contact Paul Morris, Peter Thompson, John Smith or any of the councillors .

Mrs Barbara Bateman, Mrs June Bullock or Mrs Carey Patterson for Belchford. Mr Paul Morris, Mrs Janet Leedham, Mr John Stones or Mr Robert Short for Fulletby.

Thanks from Fulletby

A special thank you to all residents for their dedication to our community to all those who freely give, many, many hours of their time, cutting verges and hedges, digging and planting, to enhance and help make our little village of Fulletby, truly beautiful! Thank you so much.

Many thanks also to the boys with their toys, and wood working skills for tirelessly maintaining our churchyard for many weeks a year, through spring, summer and autumn, in order that we can all enjoy the space at its absolute best!

And Thanks from Belchford!

A special thank you to the Belchford residents too ... who litter pick, mow our churchyard and verges, cut hedges, keep everywhere neat and tidy and support the amenities, businesses in the village, and understand we have to have lorries and tractors going through!!

E.E.K!

Existing, Expanding paths to

Thank you for your response on the subject of keeping our footpaths and extending routes to include more circular walks.

Discussion hopefully At our next Parish Council Meeting

BUS SERVICE CHANGES – UPDATES AND REVISIONS

For help and advice regarding public transport, please call the Lincolnshire Transport Helpline- 0345 456 4474

CallConnect has extended services to enable more passengers and staff to access Vaccination hubs in Lincolnshire. Please call 0345 234 3344 for details

Dog Walkers

We have had a report at our last Parish Council meeting that 24 sheep in the area had died from sarcocystosis or other related diseases spread by dog faeces. The local vets have not heard this has happened, only that some sheep in the village have had fly strike, but please be extra careful with your dogs poo disposal
Thank you!
