

Belchford and Fulletby Parish Council Newsletter Summer 2024

Parish Council Meeting Report Thursday 18th July 2024

At the July meeting the parish council said thanks to Nigel Brigginsshaw who has stood down as a parish councillor and our RFO. As a temporary measure the clerk will take over the RFO tasks. A minute's silence was held to remember former parish councillor Zach Henden, who has recently passed away.

Jill Newby requested articles for the next newsletter and another site meeting is to be held with our colleagues for LCC Highways to discuss the condition of the roads within our parishes.

Belchford Public Purposes funds were discussed and a proposal to share the funds available with local community groups was agreed. A request for community ideas and projects is to be included in the next newsletter and our District Councillor advised us that he has grant funds available for local community groups.

Sunday 18th August at 3pm Fulletby Glebe Field Picnic - for all in Fulletby & Belchford

A very simple DIY event ..
just bring your own
picnic, drinks etc.

We aim to start off an annual fruit tree sponsorship to raise money for the maintenance of the Glebe Field, whereby the winning bidder claims the fruit from that tree for the harvest.

Fulletby now has two picnic benches installed, thanks to a grant from ELDC, arranged through our District Councillor, Daniel Simpson.

PIG HANGING TREE

This is the large Sycamore tree on the corner of Narrow Lane and Fulletby road. The Parish Council has for over a year tried to ensure that it is not damaged or removed. So far we have had no response from East Lindsey District Council, even with the intervention of our District Councillor Daniel Simpson. To help our cause, we need to research the history of this tree, how it got its name, and whether there are any village traditions associated with this tree. If anyone can help with information, please contact your local parish councillor
