After diligent and detailed discussion at the January Parish Council meeting, the parish council resolved to increase the precept for 25/26, this is mainly to keep up to date with our de-fib maintenance for both villages this will mean an increase in the proportion of council tax which is included on individual household bills from ELDC. in 24/25 our precept was £3,100 and 25/26 will be £4,000.

Has anyone been in Belchford Church lately?

The trees in the church yard have been neatly trimmed making the church look more open and tidy. Inside the church the floors have been cleaned and renovated and the Virgin Mary back in place after being restored. The Church Council work so well to keep the building and grounds so beautiful.
